Team Sponsorship

Would you or a company you are associated with _____
be interested in sponsoring one of our teams? _____

Optional Pre-Season Ice Sessions/Lessons

The practice sessions are geared to the skill level of each group and cover skating and hockey fundamentals. They are excellent for the beginner and advanced player. Each player will receive eight hours of lessons in September. Player groupings will be available at the end of August. The fee for these lessons is \$140.00 and is only available to registered members of the Burlington Girls Hockey Club. There are a limited number of spots, and you should register early to avoid disappointment. There will be no partial lessons.
